Once users submit their reservation, they can review all item details and reservation information in their account.

This is the login page for the admin, same as the user login the admin will enter his/her credentials.

The image shows the dashboard of the TCM e-Business system. On the left is a sidebar with icons and labels: Dashboard, Items, Customer Records, Sales, Reports, Logs, Settings, and Logout. The main area has a header "Dashboard" and a breadcrumb "Dashboard > Home". Below this are three summary cards: "New Orders" (0), "Registered Users" (6), and "Total Sales" (₱6300). The "Recent Orders" section contains a table with four rows, each showing a user (Rafael Sanoria), placement date (2025-01-09 or 2025-01-09), due date (2025-01-10 or 2025-01-14), and status (Cancelled).

Once the admin login, he/she will enter in the dashboard in where the summary details of the recent orders will be shown.
